April 20 & 21, 2010

ACE Conference Center, Lafayette Hill, PA

EDITS is a unique bi-annual regional training opportunity developed by the Eastern Montgomery County PA emergency managers.

It is a two-day, affordable, focused training symposium designed to present nationally recognized keynote speakers and current disaster topics for approximately 300 regional emergency management professionals, police, fire, EMS, health and school officials, and first responders.

The symposium provides training, discussions, networking opportunities, and a select number of exhibitors for both career professionals and volunteers.
