

**EDITS 2012**  
***Building the Framework for Excellence***  
**Eastern Montgomery County Emergency Management Group**

Dear Sir / Madam,

On Wednesday and Thursday, October 17<sup>th</sup> and 18<sup>th</sup>, the Eastern Montgomery County Regional Emergency Management Group will be hosting its bi-annual Emergency Disaster Incident Training Symposium (EDITS). This year's symposium will be held at Presidential Caterers on Dekalb Pike in East Norriton, PA.

EDITS 2012 is a unique and exceptional training opportunity, specifically designed to provide valuable information to emergency managers and first responders of all disciplines; police, fire, EMS, haz-mat technicians, hospitals, and care / shelter providers. Attendees will hear from a variety of national keynote speakers who have varied experience in current emergency management topics. Please visit our website at [www.emema.org](http://www.emema.org) for additional information relating to 2012 EDITS.

As in previous years, there will be space available for vendor and merchant displays. These vendor spaces will be made available on a first come, first served basis. Please refer to the enclosed promotional opportunities paperwork outlining various levels of sponsorship participation. This will provide a medium for vendors to showcase new and innovative products and services that are available for today's emergency responders.

If you would like to reserve a space for your organization please complete and mail the enclosed form with payment. Should you wish to acquire additional information, please contact Richard Lesniak, Montgomery Township Director of Fire Services, at (215) 393-6935.

Sincerely,

The EDITS 2012 Committee

***Lectures, Exhibits, Demonstrations***

The Emergency Disaster Incident Training Symposium (EDITS 2012) is intended to provide advanced educational experience for command level police, fire, EMS, and emergency management officials from across the Delaware Valley Region.

The Eastern Montgomery County Emergency Management Group who partner in planning, response and recovery, is proud to host this event. The group consists of Emergency Management officials, municipalities and organizations in Eastern Montgomery County that meet informally every two months to discuss common emergency management issues. While the communities represented account for only 2% of the land area and 6% of the municipalities in Montgomery County, over 250,000 people or 33% of the county's population reside within these jurisdictions.
